Address

Application Purpose

Apply for MNC code

Information Required

1. MNCs are assigned to public networks offering public telecommunication services. Please provide information that supports the use of the MNC for this purpose, including how the applicant intends to use MNC to provide a service to the public:

2. The assignment of MNCs to small geographic areas within a country is not recommended, as it does not represent efficient use of the MNC resource.

Will the MNC, if assigned, be used over a small geographic area?

Yes No

If Yes, please provide additional reasons to support your application for the code

3. Does the applicant already hold an MNC?

Yes No

If Yes, provide the reasons why an additional MNC is required?

Declaration

I certify that the information provided in this application, together with any other information submitted as a part of this application, is true and correct.
